Watch the "LiquidSky Measuring Video" when taking measurements

LiquidSky is not responsible for errors due to bad measurements.

Taking Measurements
 Measurements should be taken with the regular clothes you use when skydiving. "Dont measure with cargo or baggy pants"
 Tape measurer should run comfortable around your body
DON'T CHEAT!!!

Full Body
Athletic Mesh
INCLUDED

Notes:

By signing below, I Agree that I watched the measuring video, was not wearing bulky clothing when I got measured and I'm fully responsible for any fit errors due to incorrect measurement.
